Highlands Church Project: If you were on zoom with us for church on May 31st, you know that we are asking each family to create something that shows their family during these last few months. Here are the instructions in case you have forgotten

Each family should have some kind of material. Old T-shirt, Pillow case etc. Then have either markers or pens or paint.

questions - what has your family looked like during this pandemic? Has it changed? Have you learned anything new? What positive actions have you noticed during this time?

Have you seen Christ during this pandemic? Where? In Who?

Draw a picture of your family in these new times. This can be an actual drawing or it can be built with words. Make sure everyone in the family has an opportunity to "make their mark".

Drop items off at church in the box outside the front doors.
